

FOLIO 4.3[®] – SPECIFICATIONS

LexisNexis Hong Kong supports the following platforms for Folio 4 Infobases:

- Windows[®] 95
- Windows[®] 98 and 98 SE (Special Edition)
- Windows[®] 2000
- Windows[®] NT Workstation
- Windows[®] XP Professional

However, we do not support the following:

- Citrix Metaframe
- Terminal Server
- Macintosh
- Windows ME (Millennium Edition).

We are unable to support these platforms as they are not supported by our supplier, NextPage. Please feel free to discuss your requirements with us as we may be able to help with workaround solutions in some instances.
